USE OF CHAUNCY FIELDS

Please remember we are guests on the grounds of the State Hospital. We ask your full support in seeing that all players and their siblings **STAY ON THE SOCCER/LACROSSE FIELDS ONLY!**

NO ONE, adults included, should be walking or driving around the campus or intrude on the housing or buildings along the roadway.

Parking is in designated areas. Please obey all no parking signs.

Please be respectful of this facility or we could lose its use! Do not leave trash, water bottles, etc.

As well, keep an eye on children wandering towards the Lake. Not doing so could be disastrous!

Please make sure **all** children are aware of these simple rules and **PLEASE HELP IN THEIR ENFORCEMENT. WE NEED YOUR COOPERATION!** Thank you!
